

**DFW
DRYWALL & ACOUSTICAL
CONTRACTORS ASSOCIATION**

DACA Member:

We would like to thank you for your support of DACA this past year! I know all of you are ready to start fresh in 2023 as we are finally back to normal. Every member is valuable to DACA DFW. We could not be the leading DFW Walls & Ceilings association without your continued dedication. As we embark on our 34th year, we have established a mission and goals to better serve the membership so that all of you can benefit from the impact we continue to make on the industry.

In 2022 we accomplished some great things with our members help, including:

- Speaking about our industry to the North Texas Code Officials, NTCICC.
- Renewing our Alliance with the DFW and Fort Worth area OSHA Regions.
- 4 networking events, Golf, Clay Shoot, Top Golf & End of the Year Banquet.
- Increasing our membership, (5 new members).
- Contributed to the TCA PAC to further your legislative rights as a contractor.
- Established the "DACA Education Foundation" a 501c3 entity of DACA.
- Awarded scholarships to members through the DACA Education Foundation.

Don't forget your member benefits included with your DACA membership:

- Educational meetings for your employees covering contract language, building code updates, legislative changes, DOL updates and industry "hot topics".
- Providing DACA Members a liaison for any code questions, issues or job-walks through the NTCICC. (Your director serves on their executive board.)
- CPR/1st Aid, OSHA 10 & 30 hr & Scaffold certification courses.
- OSHA Compliance Assistance Specialists consultation services for your office or job-site from our DACA dedicated OSHA Compliance Officer.
- Wet Wall assistance through DACA's partnership with the TLPCA.
- "Project Spotlight" section on our website for our member companies. (New in 2023).
- Texas Construction Association benefits including reduced cost Workman's comp coverage and fuel benefits. (See attached list of benefits).

Again, none of these benefits would be possible without your support and dedication to DACA and your Industry. DACA provides a lot of tangible returns for your investment when compared to other local organizations in addition to representing your companies in our continued involvement and relationships with your customers.

Sincerely,

Eddie McCormick, CEP
DACA Executive Director

Education Center

A foundational plank of the Texas Construction Association's mission is to provide education and resources to our members. TCA encourages members to become well informed about the construction industry, construction law, and subcontractor rights. TCA's commitment is to make available to our members decidedly useful information; to provide superior presentations by qualified experts in the construction and construction related fields; and to help Texas subcontractors and suppliers maintain their leading edge in the construction industry. Visit our education center at www.texcon.org.

TCA Career Center

TCA's Career Center is the Texas Construction Industry's premiere resource for online employment connections. Here, employers and recruiters can access the most qualified talent pool with relevant work experience to fulfill staffing needs. Visit our career center at jobs.texcon.org for more information.

Construction Contract Clause Library – Members only access

TCA provides a glossary of contract clauses commonly found in construction contracts. Explanations and examples are given to help members apply the information to their own specific situations.

ISSUE BRIEFS

TCA posts white papers on important issues affecting the construction industry before the Texas legislature.
